### Digital Musical Hugs

#### Touch base with someone

Many of our friends, neighbors, and relatives are staying at home due to COVID-19... feeling isolated, lonely, sad, and in need of a little pick-me-up! Your Project 39 could be something as simple as calling one of them on your phone and playing a short musical selection *just for them!*

Once your personal performance is done, please send us a short reflection on the who-what-when-where-how of your "reach-out!" This could serve as a wonderful example for others to give music to lift the spirits of others!

We have also heard of other ways to share your musical talents or to raise funds for charitable organizations. Check out the "stories" on these links:

## Project 39

### Why do Project 39?

**To reach out, cheer up, and entertain others who are restricted due to the pandemic.**

Because *we care...* and if it would make someone feel better or a little less lonely, why wouldn't we try to share our unique musical talents?

### Steps to Project 39

**Here's how you can give the "gift of music" and "make a difference!"**

1. First, if you missed our meeting on 10/9/20, get inspired by Augusto B., and watch his "how-to" video: <https://youtu.be/37Xd0N4rfAc> followed by this official **Project 39 kickoff video:** <https://youtu.be/PmEHZp-NB7Q>
2. It's pretty simple:
  - a. Just prepare something. It can be a folk song, popular piece, solo from a past lesson, one of the "Classics," a melodic excerpt from the SHJO or school folder, etc. Think about your audience. Many like things they have heard before, e.g. musicals, TV/movie/patriotic themes, etc.
  - b. Record it using any device.
  - c. Include the title, composer, and description of your work.
  - d. Upload it to your own YouTube channel and send the link or the file to: [shjoonlineacademy@gmail.com](mailto:shjoonlineacademy@gmail.com)
